Corporates can now adopt child care homes

'Adopt a Home' scheme, a ray of hope for lesser fortunate kids

Mysuru, Oct. 13 (SSM & BCT)- Corporate firms and multinational companies can now adopt children's homes or child care centres through 'Adopt a Home' scheme under their Corporate Social Responsibility (CSR) outreach.

The Mysuru District Administration has invited corporates, business houses and individuals who can take love, hope, friendship, trust and comfort to children staying in these homes. The aim is to have a close working relationship and a shared commitment to children and their families.

The programme offers an exceptional opportunity that allows for businesses and corporates to enrich the lives of children living in these children homes, which is required to provide a safe and nurturing environment for children who have been unfortunate enough to lose their biological parents and homes resulting in long-lasting negative effects. The scheme aims to minimise this traumatic experience.

According to Deputy Commissioner Dr. Bagadi Gautham, who is also the Head of District Child Protection Committee, corporates can contribute to overall development of Government Child Care Centres by providing facilities like building repair, construction of new rooms, outdoor games court (basketball, badminton), musical instruments etc.

EDITOR'S BOTTOMLINE

The World Health Organisation's (WHO) medical product alert for four 'contaminated' cough and cold syrups manufactured by Haryana-based Maiden Pharmaceuticals has raised uncomfortable questions about India's drug regulatory system. The agency has said it is investigating whether the death of 66 children in The Gambia, a West African country, from acute kidney injuries were linked to the use of cough syrups produced by Maiden Pharmaceuticals, which sells its products in countries in Asia, Africa and Latin America. WHO has said that the products under investigation may have been supplied to other countries, too. So, there is a worldwide alert to detect and remove these products from circulation to prevent further harm.

India has a developed and thriving pharma industry and the country has earned the tag "pharmacy of the world". But there have also been complaints that the regulatory mechanism is not strong and there are flaws in the monitoring of manufacturing processes and supply chain management. Maiden Pharmaceuticals is a repeat offender but was allowed to continue its business. The Haryana drugs controller gave it a compliance certificate making it eligible to export its drugs. Recently, there were reports that a large number of fake drugs were circulating in the country. It also came to be known that some drugs were being manufactured without licence. All this underlines the need to improve and strengthen the drug regulatory system. Incidents like The Gambia deaths will seriously damage the reputation of the country's pharma industry. It is not just a matter of reputation, the lives and health of people, in India or elsewhere, should not be endangered. — *In Deccan Herald*

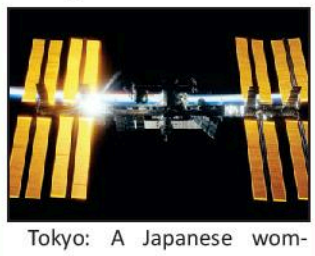
Student tries to cheat in exam using etched BIC pens

Malaga: Yolanda de Lucchi, a teacher at the University of Malaga, in Spain, recently shared a couple of very interesting photos on her Twitter account. She was apparently cleaning up her drawers when she came across one of the more ingenious cheating methods she and her colleagues had confiscated. A few years back, one of her students tried to cheat on an exam by finely etching the Criminal Procedural Law onto eleven BIC pens. A close-up of the pens really showcases the skill of the student, who obviously put a lot of time and effort into his intriguing cheating technique.

Interestingly, one of the people who replied to Yolanda de Lucchi's viral tweet claimed to know the student who had created and tried to use the BIC pens and even posted another photo of other similar pens the man had allegedly created.

Woman scammed to help 'Astronaut'



Tokyo: A Japanese woman was somehow fooled into paying 4.4 million yen (30,000 dollars) to help a "Russian astronaut" she had met online return to Earth from the International Space Station.

The 65-year-old woman from Japan's Shiga Prefecture really did fall in love with a man claiming to be a Russian astronaut and sent him 30,000 dollars to help him hitch a ride back to Earth from the International Space Station.

The unnamed woman reportedly became enamoured with the "astronaut" after they met on social media in June of this year. The man declared his love and promised to move to Japan and marry her. There was only one problem: he was aboard the International Space Station (ISS) and he couldn't afford to come back to Earth. The woman sent him a total of 4.4 million yen ($30,000) on five different occasions but ended up alerting the Police after he kept asking her for more.

Inconvenience caused to bus passengers on *Vijayadashami* Day

Sir,

The management of Dasara celebrations drawing crowds, each outnumbering the previous years', is truly a herculean task. It has been managed efficiently and kudos to all the people involved.

But on *Vijayadashami* Day, passengers of buses were inconvenienced greatly as the buses coming to Mysuru were stopped at Sathagalli bus stand, leaving passengers (locals as well as from outside places) stranded in the middle of nowhere.

Passengers carrying their luggage, women and children had to bargain with auto drivers who were engaged in extortion, charging exorbitant prices. I request the authorities concerned to look into the matter and have a better communication system in place for bus passengers so that they do not have to face such inconveniences in future.

Custodial death at Gundre Range in Bandipur

17 Forest officers booked

Tribal from N. Begur near Bandipur was arrested on charges of possessing, selling deer meat

Deceased Kariyappa

H.D. Kote, Oct. 13 (Manju,PM& BCT)- A case of murder and illegal detention has been booked against 17 Forest Department officials including Range Forest Officer (RFO) and Deputy Range Forest Officer (DRFO) of Gundre Range of Bandipur Tiger Reserve following a death of a tribal in their custody yesterday.

The victim, identified as Kariyappa, was a resident of Hosahalli tribal hamlet under N. Begur Gram Panchayat limits in H.D. Kote taluk. 41-year-old Kariyappa had been detained by the Forest officials on charges of possessing and selling deer meat. The case has been registered at Antharasanthe Police Station.

The officials, who have been booked, are RFO Amruthesh, DRFO Karthik Yadav and staff Anand, Bahubali, Ramu, Shekharaiah, Sadashiva, Manju, Umesh, Sanjay, Rajanayak, Sushma, Mahadevi, Aiyappa, Somashekar, Tangamani and Siddique Pasha.

Kariyappa was arrested and taken into custody on Monday afternoon and was illegally detained. According to Kariyappa's relatives, the Forest staff assaulted Kariyappa and he died due to pain and exhaustion at K.R. Hospital in Mysuru the next day.

In his Police complaint, Kariyappa's son Satish said that the Department staff had come to their house on Monday at around 12.30 pm searching for Kariyappa. They allegedly threatened the family of dire consequences and burn their house if Kariyappa was not handed over.

Beaten black and blue

Satish alleged that his father was arrested on the same afternoon and was taken to the Forest office. Next day (Tuesday) evening, DRFO Karthik Yadav called Ravi, Kariyappa's relative to take him home as he was unwell. When Ravi went to the Forest office, he found Kariyappa unable to walk or move as he was beaten up black and blue.

As Ravi refused to take Kariyappa to the hospital in that state, the Forest staff took him to Mysuru and admitted him at K.R. Hospital where he died, Satish said in his complaint.

He told the Police that his father died due to third-degree torture by the Forest Department officers and staff.

On their part, the Department officials claimed that Kariyappa had a history of illness and they had no role in his death. However, this claim was refuted by the family members and relatives who alleged that Kariyappa was tortured to death.

Protest demanding action

Soon after the news of Kariyappa's death spread, relatives, tribals and their leaders and political party workers along with members of NGOs gathered at the Forest office to protest, seeking the arrest of the perpetrators of the crime. The Police were called to the spot and the protest was withdrawn only after the FIR was registered.

The Department officers and staff were booked under IPC Sections 302 (murder) and 242 (illegal detention).

H.D. Kote Tahsildar Rathnambika visited the mortuary in Mysuru and said that action will be taken against the guilty if it is established that Kariyappa died due to torture meted out to him.

Kariyappa has four children and an aged mother. Tribals alleged that even if an animal dies of natural causes or if it is a suspicious death, the tribals living on the fringes of forests are targeted by the Forest Department.

MLA Chikkamadu too joined the protest and demanded action against the guilty officers.

Man killed in self accident

Mysuru, Oct. 13 (RK&KS)- A 46-year-old man was killed after he hit a roadside hoarding, near old JSS Hospital on M.G. Road here yesterday midnight.

The deceased has been identified as A.R. Satish, son of Rajashekar, a native of Alathur village in Nanjangud taluk and presently residing at Dattagalli in city.

Satish was proceeding on his Bajaj Pulsar bike (KA-09-JA-5779), when he hit the hoarding resulting in him sustaining serious injuries. He was being rushed to a hospital, but he breathed his last midway.

KR Traffic Police, who have registered a case in this regard, are investigating.

Online frauds: Women cheated to the tune of Rs. 2.15 lakh

Mysuru, Oct. 13- In separate cases pertaining to online frauds, three women have been cheated of a total sum of Rs. 2,15,634 in city.

In the first case, a 34-year-old woman, who received a message on her phone asking her to update her Aadhaar number to her bank mobile app, has lost Rs. 24,987 to fraudsters. The woman, who lost her money, is K.M. Nandini, a resident of Giriyabovipalya in city.

In the second case, a girl, who was lured into investing money by a person, whom she knew on *Instagram*, who had offered double the money she had invested, has lost a total sum of Rs. 73,000. The girl's mother H. Bhagyalakshmi, a resident of Siddarthanagar, has lodged a complaint.

In the third case, miscreants have cheated a 28-year-old woman of Rs. 1,17,647 in the guise of providing her Work From Home job. The woman, who was cheated, is Prathika Gowda, a resident of Vijayanagar 3rd Stage in city. Prathika, who saw an advertisement on *Facebook* pertaining to Work From Home job, logged in to the website as instructed by the miscreants and as soon as he logged in and uploaded certain details, a total of Rs. 1,17,647 was transferred from her bank account.

All the cases have been registered at City's CEN Police Station.

Body of girl student, who left for tuition, found in sump of under construction house

Malavalli, Oct. 13- The body of a 10-year-old girl, who left her house for tuition, has been found in the water sump of an under construction house in the town yesterday.

The deceased girl is the daughter of Suresh and Ashwini couple of the town.

The girl, who takes tuitions from one Kantharaj, left her home on Tuesday afternoon. As she did not return till late in the evening, her parents and relatives launched a search for her till late night but in vain.

But yesterday, based on the information from someone, they went to an under construction house on Mysuru Road yesterday and on looking into the sump, they found the body of the girl floating and informed the Police.

Dy.SP Naveen Kumar, Malavalli Town Inspector Rajesh and staff, inspected the spot and shifted the body to Mandya's MIMS Hospital. Dog squad and fingerprint experts were also pressed into service.

Superintendent of Police (SP) Yathish and ASP Venugopal visited the hospital, during which the deceased girl's parents alleged that their daughter has been murdered and urged the SP to arrest the accused and provide justice to them.

MLA Dr. K. Annadani, who too visited the hospital, consoled the family members of the deceased girl.

Malavalli Town Police, who have registered a case, are interrogating the tuition teacher.

Soldier on a holiday dies of heart attack in Hunsur

Hunsur, Oct. 13- A soldier, who had come to his native place on holidays, has died of heart attack at his residence in Chikkakyathanahalli village in the taluk on Wednesday morning. He was to report to duty on Nov. 1.

Mahesh

The deceased soldier is Mahesh (32), the only son of Krishnegowda of Chikkakyathanahalli village of Gavadagere hobli in the taluk. He leaves behind his wife Vinoda, five-year-old daughter and a host of relatives and friends. Mahesh was the son-in-law of former Harave Gram Panchayat (GP) President Chandregowda.

Mahesh, who was serving in the Indian Army at Kolkata, had come to the village on Oct. 3 on holidays. He was hale and healthy and had spent some time with his friends and family members.

On Oct. 4 (Tuesday) night he finished his dinner and slept. The next day, at about 6 am, he had died in his sleep after reportedly suffering a heart attack.

Post-mortem was conducted at Hunsur General Hospital and the body was handed over to the family members.

Going Green: MCC uses e-autos to collect waste

By M.T. Yogesh Kumar

Mysuru, Oct. 13- While battery and plug-in hybrid Electric Vehicles (EVs) are becoming a vital component of Mysuru's transportation landscape offering environmental, economic and energy benefits, electric vehicles are making their presence felt in the garbage cleaning sector too.

The Mysuru City Corporation (MCC) has deployed five battery-operated auto tippers for waste collection and in the coming days, it plans to increase the fleet to more vehicles thereby reducing carbon footprint and at the same time being environmental-friendly.

Notably, the low carbon initiative aims to reduce carbon footprint and promote e-mobility for waste management. According to the Corporation, it will reduce the city's carbon footprint.

Solar power projects, more green spaces, including Miyawaki forests, e-vehicles, alternatives for plastics and the promotion of public transportation were some of the projects mentioned in the last MCC Budget.

CESC leads the way

The initiative of a Government Department in Mysuru purchasing EVs was started by Chamundeshwari Electricity Supply Corporation (CESC) that purchased two e-vehicles. CESC is also in the process of setting up charging stations at multiple locations.

The MCC's aim is not only to reduce the consumption of fuel but also to cut pollution. The autos have been modified into small pickups to enable the collection and transport of waste. The Civic Body was initially using the five e-vehicles to collect electronic waste but now the vehicles are being used to transport garbage from residential and commercial areas to Solid Waste Management Plants and dump yards.

As efficient as petrol, diesel vehicles

The e-autos are as efficient as petrol and diesel auto tippers and can easily carry weight with the same efficiency. Also, the e-autorickshaws are compact and easily enter small by-lanes. With a charge of four hours, the autos can effortlessly travel over 80 kilometres.

An added advantage for the MCC is that there is no pilferage of fuel. More so, the vehicles do not come in for major repairs even after doing heavy-duty tasks, MCC Health Officer Dr. D.G. Nagaraj told *Star of Mysore*.

"The plan is to make the city carbon-free and such initiatives would help promote e-mobility and sensitise the public," he added.

Worldwide, cities seem to welcome the zero-emission garbage trucks. The driving comfort compared to conventional refuse collection vehicles is far better, according to drivers. The advantages include jerk-free starting, smoother acceleration and a very precise dosage of speed.

Emission-free operation

Apart from the fact that e-autos do not produce any local emissions, they operate more or less silently. They are relatively low maintenance because they have fewer components and the fact that there is no exhaust after treatment.

Only the high purchase costs — more than twice the cost of a petrol or diesel vehicle — is still an issue. "To tackle this, we have decided to purchase the vehicles in phases," Dr. Nagaraj said.

From time to time, the MCC buys diesel-run garbage collection vehicles and discards them after heavy usage. The daily average run of a diesel-run garbage collection vehicle is 50-60 km and it requires at least eight litres of diesel. An electric vehicle could be used for two days on a single charge.

102-km Peripheral Ring Road

MP wants MUDA to prepare DPR

MP Pratap Simha submitting a memorandum to Mysuru District Minister S.T. Somashekar in city yesterday. Others seen are (from left) Mayor Shivakumar, MUDA Superintending Engineer Chennakeshava, MUDA Commissioner G.T. Dinesh Kumar, former MUDA Chairman H.V. Rajeev and MyMUL Director S.C. Ashok.

Mysuru, Oct. 13 (BCT)- With an aim to provide a well-developed infrastructure for Mysuru to cope up with the future growth in population and vehicular density, Mysuru-Kodagu MP Pratap Simha said that the proposed Peripheral Ring Road (PRR) can eliminate unregulated commercialisation along the existing Ring Road.

PRR will mainly help de-congest the outskirts that have the potential to grow exponentially in the next two decades. The proposed PRR will be 5 to 6 kms away from the existing Ring Road and will extend up to 102 kilometres in length. Over 800 acres of land would be required to build this PRR, the MP reasoned.

The MP submitted a memorandum to Mysuru District Minister S.T. Somashekar urging him to direct the Mysuru Urban Development Authority (MUDA) to commission a Detailed Project Report (DPR) on the PRR by setting aside Rs. 10 crore for it.

The PRR was envisaged in the Mysuru Master Plan 2031 and was announced about six to seven years ago. However, uncertainty prevailed over its funding and land acquisition.

Explaining the necessity of the PRR, the MP told the Minister that the project is aimed at de-congesting the city and preventing traffic problems as the city grows.

Ring Road and PRR

While the existing 42.5-km six-lane Ring Road connects all major suburbs around the city where people from one locality can move to another without coming to the core city centre, the PRR will be 5 to 6 kilometres from the existing Ring Road so that people from other cities wanting to visit neighbouring districts and taluks can travel on the PRR without touching the Ring Road.

This will eliminate traffic congestion totally and make long travel a pleasant experience, Pratap Simha told the Minister. He told Somashekar that Chief Minister Basavaraj Bommai has also indicated that the proposed PRR should be the best suited model to make the project financially prudent.

The MP told the Minister that he along with former MUDA Chairman H.V. Rajeev had met Union Minister for Road Transport and Highways Nitin Gadkari months back urging him to provide Centre funding for the proposed PRR.

Simha told the Minister that Gadkari had suggested that MUDA has to send the DPR at the earliest on the proposed PRR so that it can be under the ambit of Bharatmala Pariyojana Phase-2.

The MP urged Minister Somashekar to direct the MUDA to invite tenders for the DPR. MUDA Commissioner has already informed the MP that the PRR figured in the MUDA budget and the project feasibility report was underway to facilitate the preparation of the DPR for submission to the Karnataka State Urban Development Ministry for onward submission to the Union Government.

Hijab in Schools: Supreme Court delivers split verdict

Case to be placed before Chief Justice's Court to constitute a larger Bench

New Delhi, Oct. 13 (UNI)- The Supreme Court (SC) today delivered a split verdict in the pleas challenging Karnataka High Court's ruling of upholding the ban on hijab in educational institutions. The two-judge Bench referred the matter to the Chief Justice's (CJI) Court for his direction to constitute a larger Bench to decide the issue.

While Justice Hemant Gupta dismissed the appeals challenging the HC's order, Justice Sudhanshu Dhulia allowed the appeals.

"We have divergent opinions, I have framed 11 questions on the issue," Justice Hemant Gupta, who led the Bench, said in his verdict. While dismissing the batch of appeals filed by many students, Justice Gupta affirmed the High Court's order on the hijab ban and said, "the matter be sent to the CJI for constituting a larger Bench to hear the case."

Education Minister reacts

Meanwhile, Karnataka Education Minister B.C. Nagesh welcomed the Supreme Court's verdict but said that he had expected a better judgement as women worldwide are demanding to not wear hijab/burqa. "Karnataka HC order remains applicable in interim time; ban on wearing of hijab in educational institutions of the State remains," he added.

"The Karnataka HC order will remain valid. Hence, in all our Schools and Colleges, according to Karnataka Education Act and Rule, there will be no scope for any religious symbols. So our Schools and Colleges will run as per the Karnataka HC order. Children will have to come to the Schools accordingly," Nagesh said.

Dengue claims life of 8-year-old girl

Mysuru, Oct. 13 (MTY&KS)- An eight-year-old girl has died of dengue in city yesterday.

The deceased girl is Varshini, daughter of Venkatesh and Geetha couple, residents of Tilaknagar 13th Cross. Varshini was studying in second standard at a private school in city.

Varshini, who began suffering from fever five days ago, was taken to a clinic, where the doctor prescribed some medicines, but the fever did not subside.

On Tuesday night, she was admitted to a private hospital and the blood test confirmed that she was suffering from dengue. Her health condition deteriorated yesterday afternoon and was shifted to an ICU where she breathed her last in the evening.

District Health Officer (DHO) Dr. K.H. Prasad, speaking to *Star of Mysore* yesterday evening, said that deaths due to dengue, even in private hospitals, have to be reported to the Health Department within 24 hours. But we have not received any reports.

As the death took place on Oct. 12 evening, we are expecting the report soon, he said and added that awareness on prevention of dengue is being held besides stating that if mosquito bites are prevented, dengue can be put under control.

Bagair Hukum cultivators to stage massive protest in Bengaluru on Oct.18

Mysuru, Oct.13 (PM&TRR)- All India Kisan Khet Majdoor Sangathan (AIKKMS) has organised a mammoth protest of Bagair Hukum land cultivators at Freedom Park in Bengaluru on Oct. 18. This was disclosed by AIKKMS State Convenor M. Shashidhar at press a meet at Patrakartara Bhavan on Tuesday.

"There are more than 24 lakh Bagair Hukum cultivators in the State and they are solely dependent on agriculture for their livelihood. We are organising this protest to demand Title Deed for Bagair Hukum cultivators," he said. "Bagair Hukum cultivators have worked hard day and night to convert lands lying as useless near the borders of the State forests into lands suitable for agriculture. The Governments which ruled the State so far have not shown any concern to recognise and authorise their rights. They have only constituted Land Allotment Committees in some Districts and given temporary Cultivation Letters," added AIKKMS State Convenor.

"Most of Bagair Hukum cultivators have no other source of income apart from 2-3 acres of land. The Government which was assuring them of Title Deeds is now saying that permanent Title Deeds cannot be given. Revenue Minister has stated that instead, the Government intends to collect fee for the cultivated land and give them on lease for a specific period of time, which is deplorable. This decision of the State Government is totally anti-farmer," alleged Shashidhar.

AIKKMS State Vice-President Shivaprakash, District Convenor H.M. Basavaraju, farmers Harohalli Papegowda and others were present at the press meet.

Corporates can now adopt child care homes

(Continued from page 1)

Besides, they can appoint teachers and fund the teaching of yoga, music, martial arts, academics, etc. The support offered to children will enhance their physical, emotional, intellectual, social and moral development.

It will also ensure safety and well-being of such children enabling them to survive and reach his/her full potential. Moreso, business houses can see the best utilisation of CSR resources and achieve positive results for society, the DC said in a press release.

While addressing needs of children in these homes, corporates can provide help to children requiring care and protection, enabling the children to transform their lives in a positive way and guide them.

Those who wish to take-up activities must sign a Government-approved Memorandum of Understanding (MoU) that includes the activities to be undertaken, time-limit, details about the participating team and so on. **For details, contact District Child Protection Unit, Anjanadri Main Road, Vijayanagar 4th Stage, 2nd Phase, Mysuru or call Ph: 0821-2543003.**

Bouddha Dharma Deeskhe on Oct.14

Mysuru, Oct.13 (PM&TRR)- Mahisha Mandala International Buddhist Cultural Trust Founder-President Shantharaju has said that more than 100 people from Dalit community will get Bouddha Dharma Deekshe on Oct.14 at 11 am in Byatahalli's Buddha Vihar.

Addressing a press meet at Patrakartara Bhavan on Monday, he said "Though the practice of untouchability is a punishable offence under the Constitution, it is being practiced daily against dalits and many other atrocities are being committed on them. The practices of ancient Hindu religion are still continuing. Embracing Buddhism as shown by Dr. B.R. Ambedkar, is the only way to free dalits from the exploitation of the society. In this backdrop, hundreds of dalits from Mysuru will seek Bouddha Dharma Deekshe."

Case registered against five for land scam

Mysuru, Oct. 13 (RK&DM)- The Vidyaranyapuram Police on Oct. 8 have registered case against five persons, including Mysuru Taluk Tahsildar, a Village Accountant and a Revenue Inspector on charges of illegally registering Pouti Khata concerning a landed property worth crores of rupees, in the name of others.

Those booked are Mysuru Taluk Tahsildar, Revenue Inspector, Village Accountant Nagesh, Jayalakshmibai and Jayashri, residents of Anubhavanagar in Nagarabhavi Second Stage, Bengaluru. They have been charged under Sections 465, 468, 471 and 420 R/W section 34 of IPC, following a complaint lodged by B. Srikantappa of Vijayanagar in city and Director of Thirumalai Roller Flour Mills.

Case details: Following an application by one R. Venkatappa, the then Deputy Commissioner in 1975 had done alienation of 2.06 acres of land coming under Survey No.155/2 (J.P. Nagar Industrial area land) of Kasaba Hobli in Mysuru taluk. Later, M.N. Narasimhanna, a Director of Thirumalai Roller Flour Mills, purchased the said land in the name of the company, as a company representative on May 17,1982. But the original registration document was not submitted to the Company. Narasimhanna died on June 7,1999, when the matter was brought to the notice of the Registrar of Companies at Chennai, saying that Narasimhanna was not a Director of the Company then. Thereafter, D. Krishnamurthy, the then official Director of Thirumalai Roller Flour Mills got approval for one site Industrial land after paying Rs.19,74,400 to MUDA. As such, the Revenue Department does not hold any rights regarding the said land. But still, Village Accountant Nagesh, the Revenue Inspector and the Tahsildar had unauthorisedly done Pouti Khata of the landed property that stands in the name of Thirumalai Roller Flour Mills, in the name of Jayalakshmibai, wife of late M.N. Narasimhanna and Jayashri, his daughter, on Aug. 11, 2022, the complaint said.

The complaint further said that Anandan Ramalingam Thyagarajan, Madhu Srikantappa and B. Srikantappa are the current Directors of the Flour Mills and the revenue authorities have done Pouti Khata of the said landed property in the name of Jayalakshmibai and Jayashri, without bringing the matter to their notice.

Tahsildar reacts

Meanwhile, Mysuru Taluk Tahsildar B.N. Girish, reacting to the case registered by Police, said it is the job of Village Accountant (VA) and Revenue Inspector (RI) to do Pouti Khata and the Tahsildar's office has no role in it. He pointed out that the VA and RI got the family tree from Bengaluru and did the Pouti Khata after thoroughly verifying the documents.

Vidyaranyapuram Police have registered an FIR naming the Tahsildar too as an accused without knowing facts, he maintained and added that he would have given a clarification if Police had asked for.

Office staff submit memorandum to DC opposing FIR against Tahsildar

Mysuru, Oct. 13 (RK&DM)- Strongly condemning the Police for including the name of Mysuru Taluk Tahsildar in the FIR registered by the Vidyaranyapuram Police in connection with the alleged fraud related to a Pouti Khata in respect of a landed property in Kasaba Hobli of Mysuru taluk, the City's Tahsildar Office staff submitted a memorandum to Deputy Commissioner Dr. Bagadi Gautham at his office here yesterday morning, seeking dropping of Tahsildar's name in the case, in which four other persons including a Village Accountant and a Revenue Inspector too have been booked.

Maintaining that the Tahsildar had no role in the case, the staff argued that the Police have wrongly dragged the Tahsildar into the case, without ascertaining the facts and without bothering to know the official process that is involved while booking a top officer.

Opposing the Police action, the staff demanded that the Tahsildar's name be forthrightly dropped from the case as he had nothing to do with the case.

Teacher gives new lease of life to eight persons after death

Madikeri, Oct. 13 - A teacher, who was running a Kindergarten in the town and declared 'brain dead,' has given new lease of life to eight persons through organ donation after her death.

Asha

Asha (53), wife of Pandyanda Gappu Ganapathy and a resident of Sudarshan Layout in the town is the teacher, whose organs were donated at Narayana Hrudayalaya in Bengaluru by her family members.

On Oct. 8, Asha had gone to her daughter's house in Bengaluru. She fell sick on Oct. 9 and was admitted to Narayana Hrudayalaya. The doctors who examined her found bleeding in her brain and despite treatment, she was declared brain dead. After counselling, the family members of Asha donated her eyes, kidneys, heart, liver and other organs, thus giving a new lease of life to eight persons.

She leaves behind her husband, one son, two daughters and a host of relatives and friends.

Last rites were held at Kodava Samaja Burial Grounds at Madikeri on Tuesday.

WORD OF THE DAY

Avuncular

Pronunciation: uh-VUNK-yuh-ler.
Meaning: Avuncular is used to describe someone or something as being "like an uncle," especially "kind or friendly like an uncle."
Origin: Not all uncles are likeable fellows (Hamlet's villainous Uncle Claudius, for example, isn't exactly Mr. Nice Guy in Shakespeare's tragedy), but avuncular reveals that, as a group, uncles are often seen as friendly and kindhearted. Avuncular comes from the Latin noun avunculus, which means "maternal uncle," but since at least the 19th century English speakers have used avuncular to describe uncles from either side of the family, or people who are uncle-like in character or behaviour. Avunculus is also an ancestor of the word uncle itself.
Example: "From East L.A. to Pasadena, from Koreatown to Riverside, and from the San Gabriel Valley to Orange County, millions of baseball fans welcomed [Vin] Scully into their homes. And that created a connection not just between individual households to the voice of the Dodgers but also among each other. He was the avuncular storyteller of Southern California, around which a unified community gathered to listen and to learn." — Ryan Carter and Chris Haire.

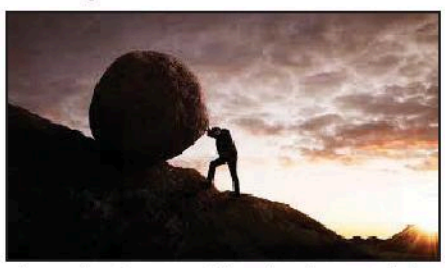
THE ODD WORD

Absquatulate

To decamp; to leave quickly; to flee

PHRASE OF THE DAY

Actions speak louder than words



Meaning: The phrase 'Actions speak louder than words' means that what you do is more significant than what you say.
Origin: The origin of the idiom 'Actions speak louder than words' is found in literature and is hundreds of years old. This interesting and meaningful statement was first seen in Gersham Bulkeley's book Will and Doom, published in 1692: "Actions are more significant than words." It has been a very popular idiom ever since.
Example: "Don't tell me how to do this; show me! Actions speak louder than words."

Mysore Amity Ladies celebrate Natl. Sports Day at Kaliyuva Mane

Mysuru, Oct. 13- Mysore Amity Ladies Circle 108 and Mysore Amity Round Table 156 had organised a sports event on the occasion of the National Sports Day at Kaliyuva Mane.

The event kickstarted by planting a coconut sapling. A day-long sports event was organised for students of Kaliyuva Mane which concluded with prize distribution. To make this day special for teachers of the school, who stand as pillars of support to students throughout their life, few sports like water filling, running race and musical chair was organised for them. Umbrellas were distributed to the teachers as a token of appreciation.

Divya Deepa Charitable Trust is an NGO established in Mysuru which runs Kaliyuva Mane, a free residential alternative school for opportunity-deprived children and research centre in Kenchalagudu village, Mysuru.

Speaking about the donation, Aparna Ranga, Chairperson, Mysore Amity Ladies Circle 108, said: "Sports and physical activity is integral to the holistic development of every child. We are glad to be a part of this initiative and commend the team for such enthusiastic participation. We look forward to being a part of similar activities and encouraging the children towards active holistic development."
